

Once upon a time,
there was a Princess.

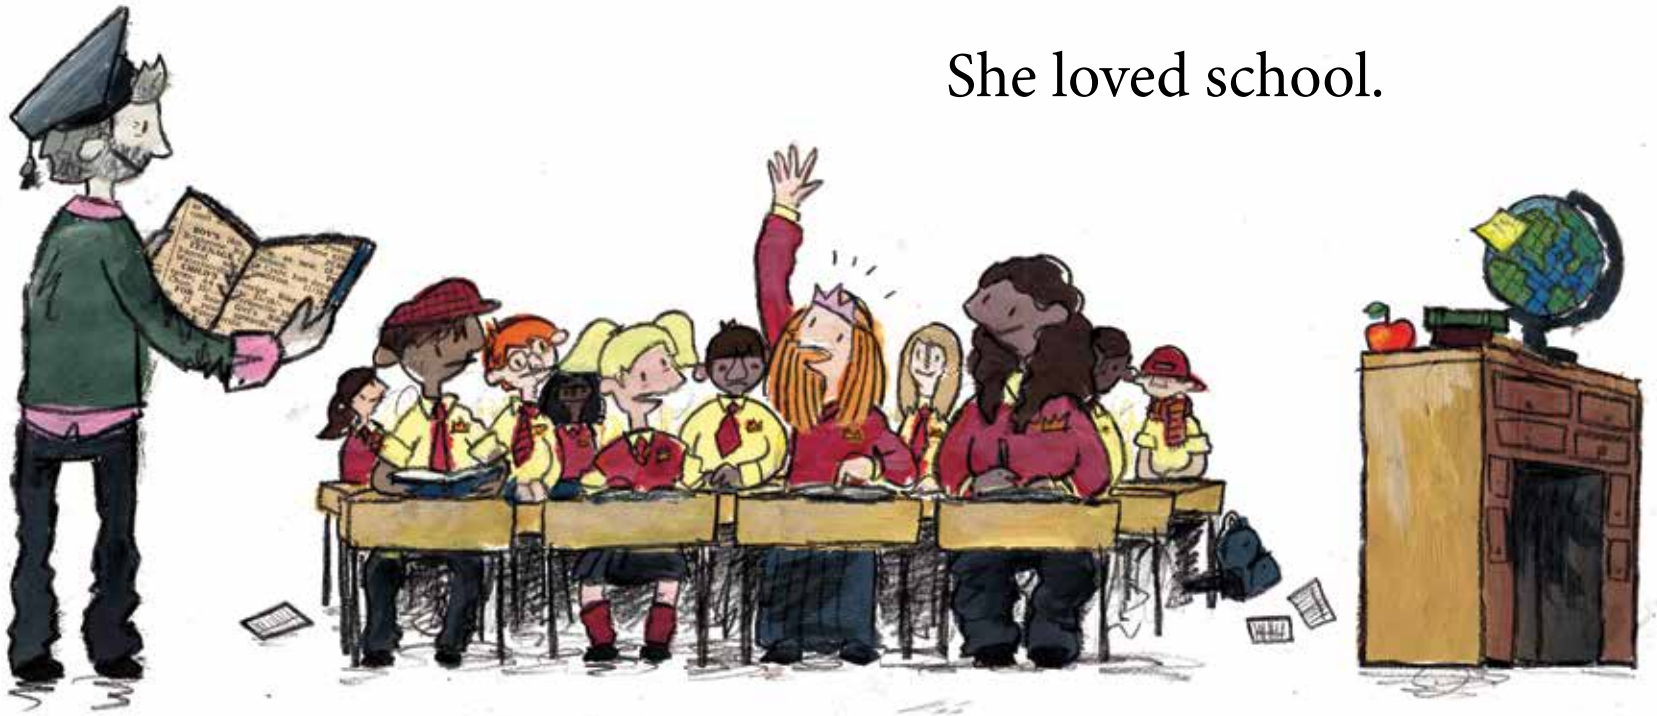

She loved to read.

She loved to play outside
with her friends.

She loved school.

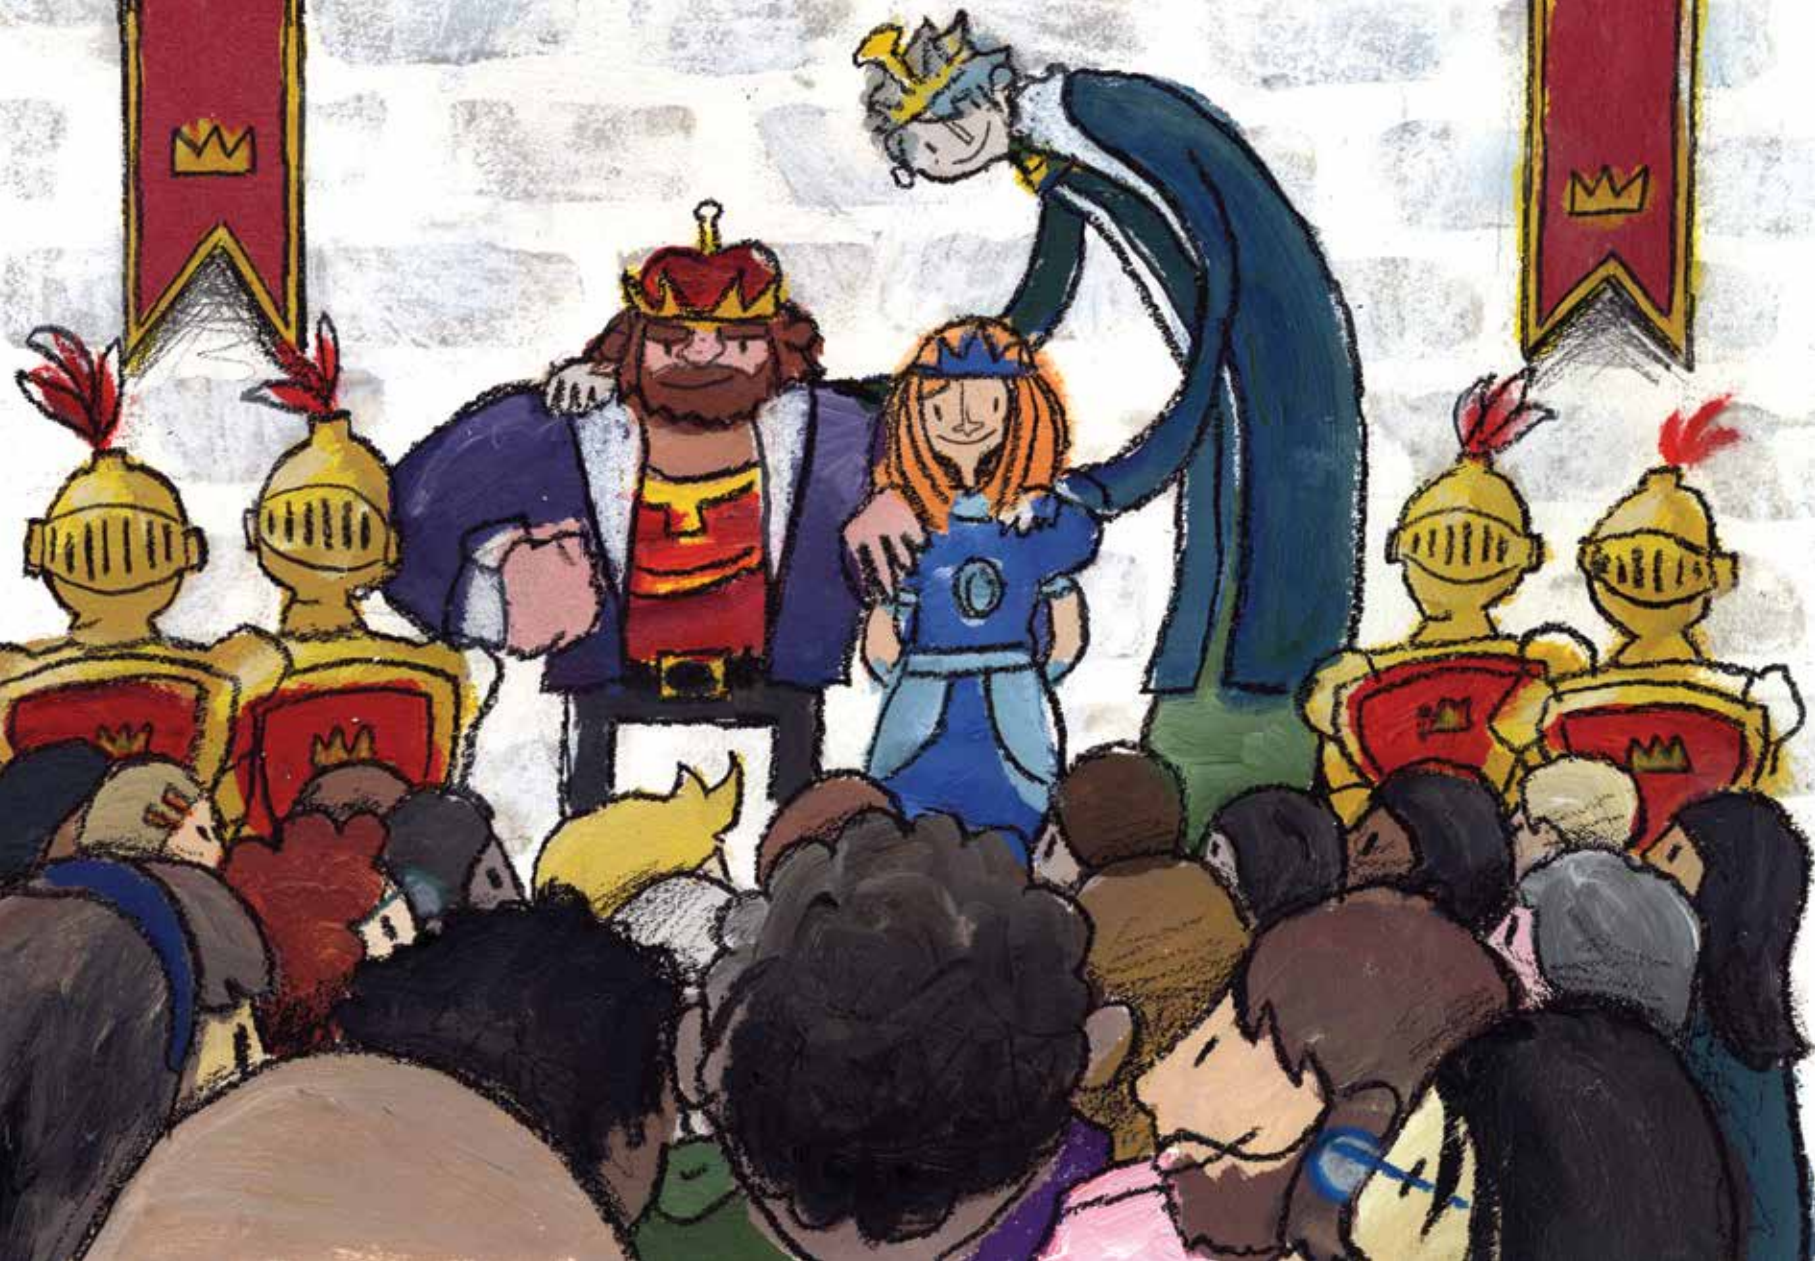

She loved to ride her horses.

She loved her loyal subjects.

She loved her mum and dad
(the King and Queen).

She was loved by all in turn, for she was
smart, beautiful, brave, honest and kind.

She had everything a little girl could
ever want, and she was happy.

That is, until the fog came.
