

THE PRONOUN GAME

A *personal pronoun* is a word that can be used in place of a person, place or thing - for example: he, she, it, they, them, his, her, theirs.

Kai's gender identity is non-binary, which means that Kai uses they/them pronouns.

Can you work out which pronouns belong to the male box? Which belong to the female box? And which belong to the non-binary box? Write your answers in the boxes.
